

# Area Map 7

**Legend**

- Designated emergency evacuation site
- Designated general evacuation center
- Designated welfare evacuation center
- Medical institution
- Pharmacy
- City Hall
- Police station/Koban/Residential police box
- Fire station
- Tsunami evacuation building
- Temporary emergency evacuation site (Tsunami evacuation site)

**Sediment Disaster**

- Landslide special danger zones
- Landslide danger zones
- Landslide danger zones (locations scheduled for basic investigation)

**Area Expected to be Inundated by Flood**

- Inundation depth < 0.5 m
- 0.5 m ≤ Inundation depth < 3.0 m
- 3.0 m ≤ Inundation depth < 5.0 m
- 5.0 m ≤ Inundation depth < 10.0 m
- 10.0 m ≤ Inundation depth < 20.0 m

**Area Expected to be Inundated by the Collapsed Irrigation Reservoir Prioritized for Disaster Prevention**

**Katsuura Dam Inundation Risk Area**

**Area expected to be inundated by the collapsed reservoir**

**Area expected to be inundated by the collapsed dam**

**Area Expected to be Inundated by Tsunami**

- Area expected to be inundated by a 10-meter-high tsunami
- Area expected to be inundated by a 16.4-meter-high tsunami
